

# Identification Tags Order Form

Description: Aluminum "Dog Tag" style Identification tag

Custom engraved, blank on the obverse side, with name, address, city, state, and telephone number on the reverse side of the tag as shown, or what you specify. We can typically engrave four lines on a side, but more will fit with smaller letters. We use a diamond engraver, giving beautiful, iridescent jewelry-like results. This is classically engraved method, where metal is removed, and not a surface burning like the laser "engravers" do!

Color choices available: Purple, Silver (Plain), Blue, Black, Gold, Green, Red, Pink (Also now in Brown, Light Blue, Light Green, and Orange)

If this is a black and white printed order form, you can view the ID tag colors and photos of pictures we can provide on our website at:

<http://www.idtags.biz>

Included are four lines of engraving, a 24" ball type Stainless Steel Neck Chain (can be cut to length) and a small Split Ring. You may also choose a small chain and split ring, or just a large split ring. We also have **pet tags and luggage tags and shoe tags for Medical ID.**

Can be further engraved on the reverse for \$1.00 more. (With information that did not fit on front: Picture, Allergy Information, Diabetic, etc.) Also, Sports, Old Glory, Logos, The Lord's Prayer in miniature Flowers, Religious Symbols (Cross, Star of David, etc.), as well as custom images are now available. Just ask what we have or visit our web site! We also make tags for Schools, Cheerleaders, Sports Teams, Boosters Organizations and Clubs, Pets, and School Bands. We also do pet tags for both cats and dogs. Our tags can also be provided as key chains, bag tags, or luggage tags.

We now offer silicone rubber silencers for use on the dog tags in red, blue, black, clear, yellow, and green. They are \$.80 each. They coordinate well with the tags and "soften" the edges of the tag. Let us know if you wish to include these in your order!

**We do single tag orders at your request!**

**Cost per basic single side item: \$4.25/each. Cost per double side item: \$5.25/each, plus 6% Georgia Sales Tax as appropriate for Cobb County**

Postage: If sent to group by US Mail: \$4.95 (any amount of tags 15 pieces or more) – Single Orders are shipped according to package weight (One Tag - \$1.30; Two Tags and more add extra ounce 20¢ each tag.) We try to charge the exact postage required. (Sorry for the postage rates, but we must pass along the rate increase!)
